**Record notes of Discussion on implementation of mechanism of
Renewable Regulatory Fund- Preparedness there of
held on dated 23rd August 2011 at SLDC, Vadodara.**

Date : 23rd August-2011
Place : SLDC, Vadodara.
Subject : Implementation of mechanism of RRF

A meeting was held at SLDC conference hall, Vadodara on 23rd August 2011 on above subject. Meeting was reference to CERC order dated 18th Feb 2011 regarding the procedure for implementation of the mechanism of RRF. List of the Participants is attached herewith at Annexure.

The agenda points of the meeting were to review the implementation of action plan, preparedness of the each participant, action taken so far, next course of action etc.

The Chief Engineer (SLDC) welcomed all the participants in the meeting. He briefly stated the points to be covered in the meeting. He opined to have active participation of each member for implementation of mechanism of RRF.

There after he directed coordinator officer to take of agenda item for discussion.

AGENDA NO. 1 : Implementation of action plan at state level.

Members were briefly informed regarding action to be taken at state level. The role of developer and owner in this regards was explained. The reminder/detail sought by WRLDC was circulated among the participants.

AGENDA NO. 2 : Action taken by participants.

So far no concrete action is taken by any of the member. Some of the owners have approached their developers, but they found poor response from their developers. The correspondence/communication made for implementation of RRF mechanism by M/s GMDC and GSFC to their developer (Suzlon) was discussed. Till date, no positive response is received from Suzlon. Also, there is no response received from M/s Enercon in respect to communication made by M/s Green Infra.

For implementation of RRF mechanism there is major role of Developers. ALL the developers were invited (invitation conveyed via letter & e-mail, which is confirmed telephonically also) in this meeting. Except, M/s Vestas, all developers were absent.

Course of action to be taken:

Investors will approach their developers for establishment of suitable mechanism for forecasting and appropriate mechanism for apportionment of energy. It will be confirmed latest by 10.09.2011.

M/s Vestas will discuss its technical department for installation of ABT meter at each level and will report it within 10 days.

Strong readiness for implementation of CERC directive in Gujarat is felt necessary and developers / Investors are again requested to gear up the facility.

Meeting ended with vote of thanks to the chair.
