-----Respondents

THE APPLICANT NAMED ABOVE RESPECTFULLY SUBMITS THAT

- 1 Pursuant to the enactment of the Electricity Act, 2003 and the Gujarat Electricity Industry (Reorganization and Regulation) Act, 2003, Government of Gujarat has issued various Notifications, Government Resolutions and Transfer Schemes for vesting of the assets, liabilities, proceedings and personnel from Erstwhile Gujarat Electricity Board (GEB), into six successor transferee Companies i.e. one Generation Corporation, one Transmission Corporation and four Distribution Companies. A new company named Gujarat Urja Vikas Nigam Ltd. (GUVNL) was then incorporated in December, 2004 as per resolution of Government of Gujarat to carry out the residual functions (including power trading) of the erstwhile GEB.

- 2 In pursuance of Sub-section (1) of section 31 of the Electricity Act, 2003, Energy and Petrochemical Department, Government of Gujarat vide its Notification Ref: GHU-2004, 31-GEB-1104-2946-K dated the 29th May, 2004 under Section 31 of the Electricity Act, 2003 (36 of 2003) has notified that the Load Dispatch Centre (LDC) situated in Jambuva, Dist. Vadodara as the State Load Dispatch Centre , which shall be operated by Gujarat Energy Transmission Corporation Ltd., Vadodara for the purpose of exercising the powers and discharging SLDC functions under the said Act w. e. f. 1st June, 2004. As a result, GETCO is presently carrying out SLDC business in the State.

- 3 In accordance with the regulation for “Levy and Collection of Fees and Charges by SLDC Regulations, 2005’ issued by GERC vide Notification No. 5 of 2005” and directives issued by a GERC dated 27th May’2005 while issuing approval of tariff order of GETCO, proposal for annual revenue requirement and determination of fees and charges for SLDC business is to be submitted. While filing the present application for Annual fees and Operating charges for SLDC Business, GETCO has endeavoured to comply with the various legal and regulatory directions as applicable and stipulations including the directions of the Hon’ble Commission in the Business Rules of the Commission, the Guidelines, prior ARR, Tariff Orders and regulation issued by GERC called as “Levy and Collection of Fees and Charges by SLDC regulation 2005” dated March 30, 2005.

- 4 Petition for Annual fee and Operating charges for SLDC Business being filed has been discussed and approved by the Board of Directors of GETCO. Chief Engineer of SLDC has been authorized to execute and file the said petition on behalf of GETCO. Accordingly, the current petition for Annual fee and Operating Charges for SLDC Business is signed and verified by, and backed by Shri S.K.Negi, Managing Director of GETCO.

- 5 Ministry of Power, Government of India has endorsed report of Girish Pradhan committee and suggested comprehensive action plan, wherein it was mentioned that SLDC has to work out separate annual revenue requirement. In accordance with the above recommendation, SLDC had submitted CAPEX plan to Hon'ble commission for approval along with aggregate revenue requirement for Financial Year 2010-11. In the CAPEX plan, some of the expenditure is associated with approval of formation of separate company. The formation of separate company is delayed, therefore, the CAPEX plan is revised for FY 2011-12. The revised CAPEX plan is submitted herewith for the purpose of determination of SLDC charges and fees for ensuing year.

- 6 GETCO has identified asset for State Load Dispatch Centre and separated accounts for the purpose of computing annual fees and charges for State Load Dispatch Centre after approval of GETCO Board. Applicant has made bonafied attempt to provide required information and to comply with directions of Hon'ble commission. However, if any further information is required in this regard or make available with applicant, we proposed to allow filing of such additional information consequently amend/revise petition.

- 7 In accordance with provision 14(iv) of Open Access Regulation issued by GERC provides that Scheduling and system operation charges payable to State Load Dispatch Centre by Long Term Open Access Users shall be determined as per regulation of GERC called as "Levy and Collection of Fees and Charges by SLDC" (Notification no 5 of 2005). Scheduling and system operation charges payable to SLDC by Short Term Open Access users are determined as Rs. 2000/- per day or part of the day whereas scheduling charges for Long term open access users is to be proposed with annual revenue requirement of SLDC.

- 8 In consideration with the aforesaid facts and circumstances, the Applicant requests that the Hon'ble Commission:
 - (a) Consider the petition filed by SLDC for True-up of the FY 2010-11 and Aggregate Revenue Requirement for the FY 2012-12 for SLDC Business and admit on record.;

- (b) Approve the True-up for the FY 2010-11 and allow recovery of annual fee and charges by SLDC with due consideration of methodology adopted for recovery of SLDC fees and charges.
- (c) Consider addition and/or modification in capital expenditure estimated by SLDC for control period and approve suitably to meet the anticipated requirement for SLDC business and its further development.
- (d) Allow SLDC within a reasonable time frame to file additional information, if any in regard to the aforesaid filing;
- (e) Treat the filing as complete in view of substantial compliance as also the specific requests for waivers with justification placed on record and pass such order as the Hon'ble Commission may deem fit and proper in the facts and circumstances of the case.
- (f) Above said petition has not been raised by the petitioner before in any other competent forum and no other competent forum is currently seized of the matter and has passed any orders in relation thereto.
